

Shudehill and Withy Grove (NQ area 4)

This plan shows the following proposed changes to the Shudehill and Withy Grove area of the Northern Quarter:

- A new bus gate on Corporation Street at the junction with Hanover Street.
- A cycle and pedestrian zone around Long Millgate and Fennel Street.
- A pedestrian only area through Cathedral Gardens.
- New cycle lanes on both sides of Withy Grove, running from the Shudehill Interchange to the junction with Corporation Street, consisting of segregated, unsegregated and hybrid cycleways.
- Segregated cycleway on both sides of Thomas Street.
- A shared 'Toucan' crossing on Withy Grove between Garden Street and Dantzig Street.
- Tactile paving and lowered kerbs for crossing at Garden Street, Dantzig Street, Hanover Street, Back Turner Street, Thomas Street, Soap Street and High Street.

The designs for the major junctions at Withy Grove and Corporation Street; and Withy Grove, Nicholas Croft, Thomas Street and Shudehill are still To Be Confirmed. We will finalise these and seek feedback shortly.
