

Northern and Eastern Gateway walking and cycling improvement

This plan shows the changes taking place at Pollard Street and Great Ancoats Street junction, part of the Northeast Gateway phase 1 works.

- Junction alterations will retain existing vehicular movements, and provide improved pedestrian and cycle facilities including segregated cycle lanes
- A segregated pedestrian and cycle crossing on the north side of Great Ancoats Street will link Chapeltown Street to Pollard Street
- The existing pedestrian crossing across Pollard Street will be improved to include a segregated cycle crossing
- A new signal installation that will include signals for cyclists
