

Community feedback

An online form to collect residents' feelings about the trial has been open since the start of the trial in August 2023, and will remain open until the trial concludes.

Parsonage Safer Streets Community Feedback

This chart shows the breakdown of the results of feedback from the community.

1. How do you feel about the idea of reducing traffic in this area of Withington?

2. How do you feel about modal filters?

3. How do you feel about one-way streets?

4. Do you think the changes will make it more likely that you and/or your family will walk or cycle more?

5. Do you think the changes will make it more likely that you and/or your family will spend more time outdoors?
